

Stock Investor Pro

Program Error Sheet

Error:

When running Stock Investor Pro 4.0 I get Error: #13 – Message Alias “ISSUES” is not found. Line#: 131 Method screenaaPLY. Object: notebook_stock

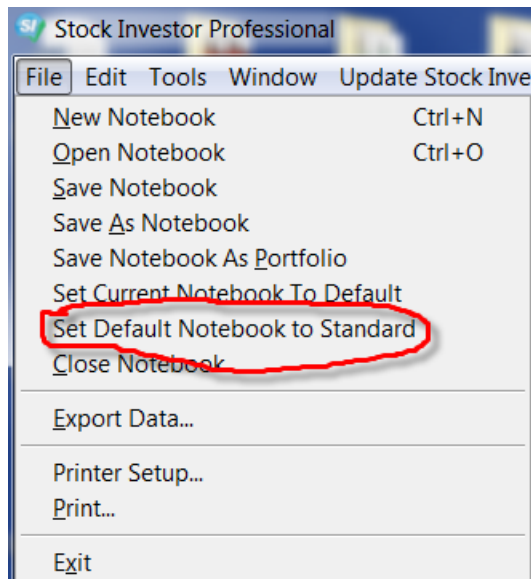

Note:

This issue error occurs because of a change in the default stock notebook

Solution:

The solution involves restoring the default stock notebook:

1. Within Stock Investor Pro, go to the File menu and select “Set Default notebook to Standard”

2. Close Stock Investor Pro
3. Reopen the program
4. Try running a screen and see if the error persists
5. If the error persists, close the program and open Stock Investor Pro Utilities.

6. If the error still persists, reinstall the program using the full program/data file from the Stock Investor Pro [downloads page](#) on the AAI website
