

Creating the Revised MAGNET Screens in Stock Investor Pro

Both of Jordan Kimmel's revised screens are relatively easy to create in *Stock Investor Pro*, especially since neither use custom fields. Listed below are the exact criteria for each screen and the category where each is located.

Those who have never built a screen in *Stock Investor Pro* are encouraged to watch the “Creating Basic Custom Screens” tutorial video, which can be found at <http://www.aaii.com/stock-investor-pro/videotutorials>.

Criteria for Revised MAGNET Simple Screen

- Exchange Not Equal to Over the Counter (located in Company Information)
