What are we going to talk about:

Wayne Stogner will give a presentation on “***Taxation of Investments during Retirement***”. We will have a Round Table discussion in which each person will be asked to give a 3-minute presentation on “***What was the best financial move I made in 2018 and Why, then What was the worst and Why***”. That should start a lot of discussions on a lot of topics. There will not be any discussions on Building a Wall
