The topic for the meeting will be a continuation of last meeting when Bill Bushkie presented "Handing Over Financial Obligations to a Beneficiary". The topic will be a roundtable on "Your Survivors/Beneficiaries Portfolio". We want everybody to participate, only percentages, no dollar figures to be discussed.

To finish the evening we will discuss "Should Americans be Required to invest for Retirement". Most Americans are financially poorly prepared for retirement and in the UK , Australia and Chile people are required to invest for retirement. What do you think?

We will also discuss if the Dec meeting should be a dinner to announce the winner of our annual Stock Picking Contest. Gordon, gwrvmc@atmc.net
