

AAll Reno-Sparks Investor Education Group Meeting

Date and Time: Thursday, March 6, 2014, 7 to 9 p.m.

Presentation Title and Synopsis:

10 Sure-Fire Ways to Lose Your Money!

Why waste years of your time trying to make your money grow when our time-tested program guarantees you will lose all your money and never have to think about investing again! No kidding. These secrets to losing money are the best. They work fast, flushing thousands of dollars down the drain in a New York minute. They've freed millions of investors from drudgery and they'll work for you.

Here's just a single example of what's in store if you attend the lecture. We've all heard the aphorism "familiarity breeds contempt." You know that's true because it has already worked with your relatives, so why not apply it to your investing program? Let's buy the stocks of companies that everybody else is buying! All the lemmings can't be wrong, right?

Fact: USA Today has a half-million people registered in its online portfolio tracking system. Whether those people are aggressive or conservative, rich or poor, old or young, they all own the same stock as their biggest holding! I can't publicly divulge the name of that company but here's a hint: it uses a fruit that grows on trees as its corporate logo. This is genius. Just buy what's overbought and -- voila-- you've flushed away a big wad of filthy lucre!

There's more. Much more. So come on down March 6th and learn all 10 of our great ideas for ending your investing burdens. Of course if you actually like your money, you could consider doing the opposite of our sure-fire methods. But that would make you quite the eccentric, wouldn't it?

Location: ArrowCreek Residents Center, 2900 Arrowcreek Pkwy, Reno 89511.

Directions: Exit I-580 at Damonte Ranch and go west across Virginia St. Bear left onto Arrowcreek Pkwy and continue west about four miles to the entry gate of the Arrowcreek Community.
