Presentation Title and Synopsis:

Your Best Investment Ever!

In November we want to hear *from you* about "***the best investment you ever made***"!

Your best outcome might have been a company or fund you thoroughly analyzed and whose purchase and sale you carefully planned. Or, your best investment may have had been a stroke of luck ... a hint from an AAll Journal article or a suggestion from a friend that worked very well. Perhaps it was a speculation on a start-up company whose price took off like a rocket.

Your best investment may be a widely known success story: Wal-Mart, Microsoft or Berkshire-Hathaway. Or it might be an obscure company or a security type few people understand [stock option? timing system success?].

You best investment may have happened this year. Or back in 1989. You may still own your best investment... or you may have brilliantly cashed it in just as its value peaked.

All of us will try to learn how we might get "luckier" from hearing your success example. Can we do better future research based on your selection method or your sources of information? Can your methodology instruct me better?

If we think about it, this last Reno-AAll meeting of 2013 is like an early thanksgiving. We'll collectively say... "thank you, capitalism, for giving so many of us such splendid rewards."

Location: ArrowCreek Residents Center, 2900 Arrowcreek Pkwy, Reno 89511.

Directions: Exit I-580 at Damonte Ranch and go west across Virginia St. Bear left onto Arrowcreek Pkwy and continue west about four miles to the entry gate of the Arrowcreek Community. Tell the guard you are attending the AAll meeting at the Residents Center. Proceed straight 1/2 mile to the first stop sign. Turn right (*downhill*) into the parking lot for the Residents Center. It's a 10 minute drive from I-580 to the Center building. [NOTE: If you arrive at the Arrowcreek *Country Club* by mistake, just go directly back across Arrowcreek Parkway to the *Residents Center*.]
