What are we going to talk about:

6:00 pm MARKET/SECTOR OUTLOOK (Keith) - We will look at the current market & sectors to see where the market is today and where it is probably going in the Short, Intermediate and Long Term.

6:30 pm Bonds Part 3 (Keith) - This is probably the last presentation on Bonds (for a while). So I will summarize what we learned in the first 2 lesson and show a few alternate techniques. I will also explain why I moved this portion of the presentation back a few months...clue - It was because of the BREXIT.
